

2023

Whiskers

ANNUAL IMPACT REPORT

SERVING THE COMMUNITY

In 2023, the Whiskers Team served our highest number of high-risk felines to date. We migrated to a more functional software system and improved functionality of our website and applications.

266

LIVES CHANGED

119

ADOPTIONS

67

DENTALS (ONE OF OUR BIGGEST MEDICAL NEEDS)

ACKNOWLEDGEMENTS

We are continually humbled by the Veterinarians who help us save lives and support our work, the fosters and volunteers who help these felines feel safe and loved, and our donors who makes it all possible!

PROJECTS

DETAILS

OUTCOME

CAT YOGA

We partnered with Yoga Six and held several kitten yoga practices

Expand our bandwidth, audience and presence in the community

GREY WHISKERS

Caters to senior cats, high risk for euthanasia

49 cats over age 8 adopted with 28 still in our care as of year end
